

The Book Tour

Kristu Bhakti and Krishna Bhakti by Dr. Israel Selvanayagam

Bhakti: “attachment, participation, fondness for, homage, faith, love, devotion, worship, piety”.

This book helps to grasp the essential meaning and various dimensions of a God-experience and its implication for a transformed and transforming life.

Taking the famous figures Jesus and Krishna, as presented by two popular texts (St. John’s Gospel and the Rasalila section), two distinctive bhakti frameworks are analysed and compared.

For those who want to understand bhakti, this evening with Israel Selvanayagam will prove to be an engaging event.
